**Things Kindergarten students need to know when they come to school:**

Full name
Teacher's name and room number
Phone number
Address
Parent's last name if different
How they will get home

**Things you can do to help them be ready to learn the Kindergarten curriculum:**

Read, read, read aloud
Count together
Cut, color, paste, draw
Practice color names
Practice letter names, starting with the ones in his/her name
Practice following directions

**Things we would also like them to know**:

How to write their name
How to stuff and zip their backpacks
If they will have "cold or hot" lunch
How to ask for help
